

November 8, 2011

Attention Industry Stakeholders, the following is important information regarding premises registration.

British Columbia

Premises registration is now available through the B.C. Ministry of Agriculture website only. Please do not register B.C. premises using the Canadian Livestock Tracking System (CLTS). [Click here](#) for more information.

Alberta

Premises registration is available through the Alberta Agriculture and Rural Development (AARD) website only. [Click here](#) for more information. Once you have registered your premises with AARD you can add the Premises Registration Number (PRN) to your CLTS account. [Click here](#) for instructions on how to do so.

Saskatchewan

Premises registration is still available using the Canadian Livestock Tracking System (CLTS). [Click here](#) for instructions on how to register your premises.

Manitoba

Premises registration is available through the Manitoba Agriculture, Food and Rural Initiatives (MAFRI) website only. Please do not register MB premises using the Canadian Livestock Tracking System (CLTS). [Click here](#) for more information.

Ontario

Premises registration is available through the OnTrace website only. Please do not register ON premises using the Canadian Livestock Tracking System (CLTS). [Click here](#) for more information.

New Brunswick, Nova Scotia, Prince Edward Island and Newfoundland

Premises registration is still available using the Canadian Livestock Tracking System (CLTS). [Click here](#) for instructions on how to register your premises.

Yukon, Northwest and Nunavut Territories

Premises registration is still available using the Canadian Livestock Tracking System (CLTS). [Click here](#) for instructions on how to register your premises.
