

**Update In-Herd ID in Animal On-Farm Inventory: This section will instruct on customizing your in-herd ID in animal on-farm inventory and use in-herd ID for tag (indicator)/animal history in CLTS.**

After logging in to your CLTS account, select the Inventory sub-menu and the **Animal On-Farm Inventory** option.

The screenshot shows the CLTS user interface. The top navigation bar includes 'Home', 'My Account', 'Inventory', 'Events', 'Search', and 'Certificate/Manifest'. The 'Inventory' menu is expanded, and 'Animal On-Farm Inventory' is highlighted. A red arrow points to this option. Below the navigation, there is a welcome message and a list of instructions for submitting tag/animal event information.

You can view your animal on-farm inventory where a new column, "In-Herd ID" will now be displayed in the result.

The screenshot shows the 'Animal On-Farm Search Result' page. The search resulted in 222 animal(s). A table displays the search results with columns: Tag (On Animal), In-Herd ID, Premises, In Inventory Date, Birth Date, DOB Submission Date, Division, Sex, Breed, and Species. A red arrow points to the 'In-Herd ID' column header.
