

Birth Date Certificate: This document provides instructions on how to create a birth certificate on the Canadian Livestock Tracking System (CLTS). Before creating a birth certificate, a birth date event must be successfully submitted. [Click here](#) for instructions on how to submit a birth date event. If you have purchased animals that are age verified, you can create a birth certificate using their CCIA tag/indicator numbers and the birth date information will be retrieved.

Login to clts.canadaid.ca. If you do not know your username or password, contact CCIA at info@canadaid.ca or 1-877-909-2333.

Welcome to the CLTS!
If you have ever purchased cattle, sheep, bison, goat or cervid tags then you have a CLTS account. To obtain your Username and Authorization code call 1-877-909-2333 or email info@canadaid.ca

On the home screen, there are two ways to begin creating a **Birth Date Certificate**.

Go to the heading **Certificate/Manifest** and click **Birth Date Certificate** from the drop-down menu.

Click **Birth Date Certificate** under the **Certificate/Manifest** heading.

Export Manifest

Make sure you have a valid email address on file. Providing an email address will greatly improve our ability to serve you. Your current email is your@email.ca. Please [click here](#) to update it.

In the [CLTS Resource Centre](#) (CRC), you will find step-by-step instructions that will make the CLTS easier to use. You will also find templates that you can complete and use to submit information to the CLTS.

Submit Tag/Animal Event Information

- Option 1: [Directly Online](#) - Submit tag and animal information, including animal birth dates, through online forms. (Best option for high speed or satellite users)
- Option 2: [File Upload](#) - Submit tag and animal information, including animal birth dates, through a spreadsheet file. (Best option for dial-up users)

There are **six** options to choose from to add tags/indicators to your list. All of the options can be used to create your list, but only one option can be used at a time. Enter tag/indicator number(s), then click **Add Tags to List**.

Home | My Account | Inventory | Events | Search | Certificate/Manifest
 General | Users | Premises | Vehicles | Protocol | >for Account: Producer

Event | Tag Entry | Detail | Confirmation | Done

Submit Events: Animal/Tag Selection

To add tags, select one of the options below, enter the tag number(s) then click Add Tags to List.
 To remove tags, select one of the options below, enter the tag number(s) then click Remove Tags From List. Note: Only tags that are already on the list can be removed.
 Continue this process until your list is complete. Then click Next.

Tag: CCA
 Tag Range: CCA Range Start: Range End:
 Tag Range: CCA Range Start: Range End: with Quantity:
 Spreadsheet File(CSV, XLS, XLSX): Choose File No file chosen
 Select from Unused Tag Inventory:
 Select from Animal Inventory:

Add Tags to List Remove Tags from List << Back Next >>

The tags/indicators numbers will appear at the bottom of the screen under **List of Tags Associated with the Event**.

Once your list is complete, click **Next**.

<< Back Next >>

List of Tags Associated with the Event

Action	Entry Type	Details	Division	File Name	Count
Add	Tag Range	00 0124000299972664 to 00 0124000299972763 (CCIA)	Beef		100
Add	Tag	00 0124000299972764 (CCIA)	Beef		1

On the **Create Birth Certificate: Confirmation** screen, review the list of tags/indicators shown to ensure all tags/indicators entered in the previous step appear.

If the information is correct, click **Create Certificate**.

Note: Tags/Indicators will be listed in sequential order and will be grouped into ranges on this screen.

Home | My Account | Inventory | Events | Search | Certificate/Manifest
 General | Users | Premises | Vehicles | Protocol | >for Account: Producer

Create Birth Certificate: Confirmation

Please check the tags and tag ranges before clicking Create Certificate.

Tag Start	Tag End
000000124000299972635	

Click **Create Certificate** to proceed and generate the certificate, or << **Back** to change the tags selected.

<< Back Create Certificate

A new window/tab will open showing the **Birth Date Certificate** in PDF format. Alternatively, you can view the certificate by clicking one of the **View Options** from the details screen.

Note: You must have your browser's pop-up blocker disabled for the certificate to appear automatically.

The official CCIA Birth Certificate appears as shown. Confirm that the birth date appears in the **Birth Date** column. An empty column means there was no birth date information available in the CLTS.

Sign and date the lower part of the certificate before providing to the purchaser.

The screenshot shows a CCIA Birth Date Certificate form. At the top left is the CCIA logo. To the right are the logos for the Canadian Food Inspection Agency and the Agence canadienne d'inspection des aliments. The title "Birth Date Certificate" is centered. Below this is a table with the following information:

Birth Date Certificate	
Certificate ID:	AC333434Y6A
Audit State:	No Audit Finding
Date Generated:	11-Dec-2019 16:09 MST
Generated By:	Dad Producer

Below the table, it states: "This certificate was created for: **Producer**, 211 My Street, MY CITY, AB T0J 0K0, Canada".

Next is a table with the following columns: Status, Start Tag#, End Tag#, Birth Date, Age (Months)*, Comments, and Qty.

Status	Start Tag#	End Tag#	Birth Date	Age (Months)*	Comments	Qty
	00 0124000299959059	00 0124000299959059				1
Total:						1

Below the table, there is a signature line: "I, _____, certify that the information provided to CCIA is accurate to the best of my knowledge." with "(Please Print Name)" in parentheses below the line. The signature line is followed by "Signed _____" and "at _____ this _____ Day of _____, 20____".
