

Move Out: Used to report the identification of an approved tag/indicator applied to an individual animal or report a group of animals based on species, that have departed from a defined location on a defined day.

Login to clts.canadaid.ca. If you do not know your username or password, contact CCIA at info@canadaid.ca or 1-877-909-2333.

BOX 1

Click **Submit Events - Directly Online**.

BOX 2

Select **Move Out**, then click **Next**.

BOX 3

Are the animals moving to a community pasture? Select **YES** or **NO**, then click **Next**.

Yes - will continue to the steps to submit a Group Move Out that does not require individual tags/indicators.

No - will continue to the steps to submit a Move Out event with individual approved tags/indicators.

BOX 4

If you selected **YES**, you will be directed to the Group Movement Details – Group Move Out screen.

The following information is required:

Source Premises: The premises ID (PID) of the location the animals were loaded onto the transport trailer.

Source Account: Your account name and number will automatically appear.

Date of Loading: The date, time and time zone that the animals were loaded onto the transport vehicle at the source premises.

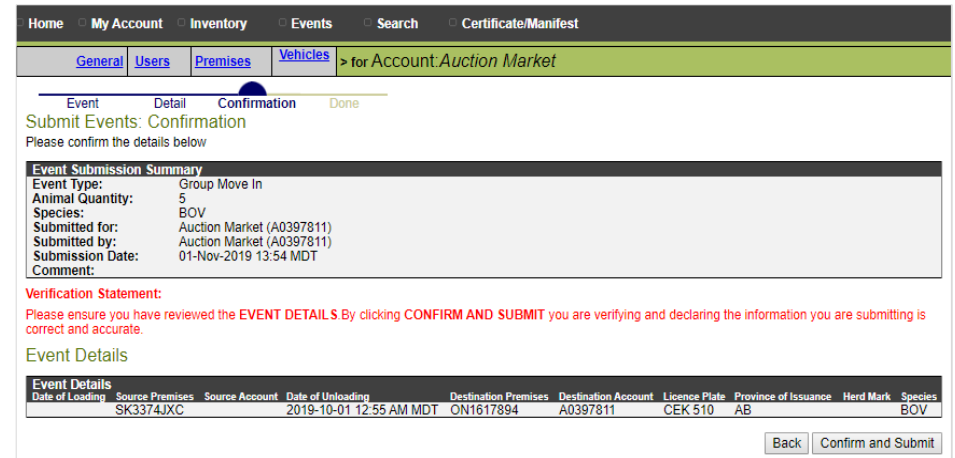

Destination Premises: The premises ID (PID) of the location the animals are being transported to.

Animal Quantity: The quantity of animals being moved out of the location.

Species: The species of animals being transported. Only one species is allowed per submission.

Once all your information has been entered, confirm it is correct, then click **NEXT**.

Review and confirm the event details, if correct, click **Confirm and Submit**.
